

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA02416AT

This certificate issued to Piaggio America, Inc.
1515 Perimeter Road
West Palm Beach, FL 33406

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product - Type Certificate Number : A59EU

Make : Piaggio

Model : P-180

Description of Type Design Change: Installation of a Innovative Solutions & Suport (IS&S), Air Data Display Unit (ADDU), on a Piaggio Avanti P-180 in accordance with Drawing List Document Number 49-001-001, Revision A dated 7/26/2001 or later FAA Approved Revision.

Limitations and Conditions : This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse affect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. FAA Approved Airplane Flight Manual Supplement, Document Number 49-805-001, dated May 2, 2002, or later FAA Approved Revision is a required part of this STC.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : May 04, 2001

Date reissued : May 2, 2002; March 9, 2010

Date of issuance : October 26, 2001

Date amended :

By direction of the Administrator
